AYER'S Sarsaparilla

is the best family medicine you can have. A thorough course of treatment with it makes good red blood, brings the old color back to the lips, fills out the cheeks, and gives the glow of perfect health.

Perhaps you suffer from the enfeebling effect of a prolonged spell of warm weather. If so, Ayer's Sarsaparilla will vitalize your blood and give you renewed force, vim, and energy.

As now made, Ayer's Sarsaparilla contains no alcohol.

There are many imitation Sarsaparillas.

Be sure you get "AYER'S."

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U.S.A.

Kitchener Field Marshal

LONDON, AUGUST 6. — General Viscount Kitchener has been appointed field marshal and inspector-general of the Mediterranean forces, succeeding H. R. H. the Duke of Connaught. He also retains command of the forces in India. Viscount Kitchener is the youngest field marshal in the history of England.

Horatio Herbert Kitchener, first Viscount Kitchener of Khartoum, G. C. R., O. M., C. M. G., was born in 1850 at Crotter House, Ballylongford, County Kerry. He was educated at the Royal Military Academy at Woolwich and entered the engineers in 1871. His services were distinguished, and in 1890 he became Sirdar of Egypt. In 1900 he became chief of staff in South Africa, and later succeeded Lord Roberts as commander in chief. In 1902 he became commander in chief in India. Kitchener was created Baron Kitchener in 1898 and viscount in 1902. He has twice received the thanks of Parliament and has been voted \$400,000 by the British government in acknowledgment of his services.

Japan Forces China

TOKIO, August 7. — As the climax of the protracted controversy, Japan has sent her ultimatum to China, and has issued an official note to the Powers, announcing that she will proceed to reconstruct the Antung-Mukden railroad, regardless of China's opposition, in accordance with the treaty of 1905.

Japan declares that after negotiations extending over three years, China is still unyielding and refuses to recede from her untenable position through a policy of evasion and procrastination. It is not believed here that the ultimatum will result in anything approaching war.
